Tri-County Contractor's Association (TCCA) Scholarship Guidelines

I. Scholarship Program

The Tri-County Contractor's Association will provide selected scholarship recipients with tuition funds for one academic year to pursue trade school, college, or university education in a construction-related field. Full-time and part-time students from all academic levels, including incoming freshmen, under-graduates, and graduate students, who represent a variety of majors and career goals **in a construction related field**, are encouraged to apply.

Applicants will be judged on both academic and personal achievements. Financial need will not be considered. Final selections will be made by a scholarship committee that will determine the amount awarded to each recipient. Applicants will be notified by mail of the final selection and the amount of their award.

The scholarship may be used only for payment of tuition and/or academic fees and any remainder must be credited to the second term's tuition and/or academic fees for the academic year.

II. Eligibility

Each applicant must be affiliated with a TCCA-member company and enrolled as a graduating high school senior or enrolled in an accredited college, university, or trade school for the current academic year. In order to be considered for the upcoming academic year, applicants must submit their paperwork to the TCCA office by the **April 30, 2024**, deadline. Selected criteria for TCCA scholarship include academic standing, activities, community service and an essay. Applications must be complete for consideration.

III. How to Apply

- Submit the attached application. Additional applications may be obtained online at www.tccawi.org/scholarships or from the TCCA office by calling (262)925-3163
- Applications must include a high school transcript (for college-bound high school seniors).
- Applications must also include a college transcript (for college students who have completed one or more years of college).
- Applications must include a letter of recommendation from someone connected with the construction industry OR an education professional, teacher, or professor.
- An essay of 500 words or less describing your background and aspirations, education, career goals and reasons for applying for the scholarship.
- Applications and supporting documents must be received at the address or email below no later than **April 30, 2024**. Applications that are received late or are incomplete will not be considered.
- Questions should be directed to Stefanie Hansen at the TCCA office.
