

Tri-County Contractor's Association (TCCA) Scholarship Guidelines

Scholarship Program

The Tri-County Contractor's Association offers selected scholarship recipients tuition assistance for one academic year, with award amounts ranging from \$500 to \$2,500. This scholarship is available to students pursuing education in a **construction-related field** at a trade school, college, or university. Both full-time and part-time students at all academic levels, including incoming freshmen, undergraduates, and graduate students, who are studying various majors and career paths within the construction industry, are encouraged to apply.

Applicants will be evaluated based on their academic and personal accomplishments. Financial need will not be a factor in the selection process. A scholarship committee will make the final decision on the recipients and determine the award amount. All applicants will be notified by mail regarding the final decision and the scholarship amount. The scholarship is to be used solely for tuition and/or academic fees. Any remaining funds must be applied to the second term's tuition and/or academic fees for the academic year.

Eligibility

Applicants must be either a graduating high school senior or currently enrolled in an accredited college, university, or trade school for the current academic year. To be considered for the upcoming academic year, all application materials must be submitted to the TCCA office by the deadline of **April 30, 2026**. Late or incomplete applications will not be considered.

How to Apply

- Complete the attached application form.
- All applicants must include a copy of their high school transcript with their application.
- College students, if applicable, must include a copy of their college transcript.
- At least one letter of recommendation from a person affiliated with the construction industry or educational professional.
- Submit a written statement (two pages or less) outlining your background, education, extracurricular activities, community involvement, career goals, and reasons for applying.
We want to hear your voice, please do not use AI generated content in your statement.

All applications and supporting materials must be received by the address or email listed below by **April 30, 2026**. Questions - Contact Stefanie Hansen at the TCCA office.
